CLINICAL CONFERENCE

November 5, 2022
7:00 am - 4:00 pm

Phoenix Children's Hospital
Conference Center
2632 N 20th St.
Phoenix, AZ

About the Event

The Arizona Asthma & Allergy Conference provides education and networking for clinicians who care for patients living with asthma and allergies. This educational activity is designed for practicing pediatric and adult primary care providers, asthma specialists (pulmonologists and allergists), pediatric and family nurse practitioners, respiratory therapists, pharmacists, nurses, school nurses, quality assurance and case managers, MA's and anyone else involved in the care of people with asthma and allergies to increase their knowledge of asthma best practices.

Conference Objectives

- Provide patient care providers the most current information on asthma and allergy management, education and research.
- Participants will gain an understanding of updates and direction of the clinical diagnosis & management guidelines for asthma.
- Empower participants to understand chronic cough and possible diagnosis.
- Inform participants about obstacles and avenues regarding access to care.
- Explore questions about the causes, presentation, and treatment of Long COVID.
